SOLUBLE FERTILIZERS

FERTI EARTH

- ❖ Distinctive soluble fertilizers taken from pure raw material sources.
- ❖ A fast-dissolving fertilizer that contains the major elements in studied proportions, in addition to the minor elements.
- ❖ Completely soluble in water and prepared in a way that ensures high efficiency and rapid absorption.
- ❖ Suitable for all vegetable crops, especially in the production stage.
- ❖ Multiple compositions that keep pace with different plant growth stages

Ferti Earth Compositions: w/w

Product
20-20-20T.E
10-52-10T.E
12-12-36T.E
